

Abstract

Once on a time there was a man up in Finnmark who had caught a great white bear, which he was going to take to the King of Denmark. Now, it so fell out that he came to the Dovrefell just about Christmas Eve, and there he turned into a cottage where a man lived, whose name was Halvor, and asked the man if he could get house-room there for his bear and himself.

Sammendrag

Det var en gang en mann oppe i Finnmark, som hadde fanget en stor kvitbjørn; den skulle han gå til kongen av Danmark med. Så falt det så at han kom til Dovrefjell om julekvelden, og der gikk han inn i en stue hvor det bodde en mann som hette Halvor. Her ba han om han kunne få lånt hus til seg og kvitbjørnen sin.
